# GUILFORD COLLEGE

## Our Alma Mater

Guilford College, chartered in 1834, and founded in 1837 as New Garden Boarding School by The Society of Friends, took its present name in 1888. Although Guilford was established and is now under the influence of the Society of Friends, it is in practice non-sectarian, and is the oldest co-educational institution in the South. In the Piedmont of North Carolina, the campus is shaded by groves of giant oak and hickory trees laced with dogwood, an ideal atmosphere for preparing each student to live an intelligently directed and purposeful life, and for discovering and developing in each student his unique abilities so that he can make his maximum contribution to his fellow men through his life work. This is the purpose of Guilford College to provide a basic, broad, and integrated educational program for a selected group of students. Midst primeval oak and pine, east of the Blue Ridge and Great Smoky Mountains, with varied historical surroundings, traditional Guilford, to us, shall forever remain hallowed.

Kindly light our fathers kindled  
Midst primeval oak and pine,  
Let thy radiance truth revealing  
Now upon our spirits shine.

Crowning of Queen . . . 1960 Christmas Dance.

Extra-curricular . . . those happy hours!

*Our Alma Mater expands from the strict educational routine to those memorable extra-curricular activities, such as dances, social hours in the parlors, student workers . . . .*

A tribute to you - "Our Happy Dishwashers!"

Ah! The magnificent words of "Lord Byron's Love Letters!"

*...dramatic presentations, and undying student spirit*

A little touch of ingenuity from the student cheering section!

Sacred mem'ries thru the archways  
of the swiftly passing years...  
Still undim'd dear Alma Mater,  
Strengthen us, dispel our fears.

So our hearts, are voices joining  
Echo Guilford's ancient fame..  
Hallow'd be thine each endeavor.  
Hallow'd be fair Guilford's name.

Billy Flippin must have really been FLIPPIN!

*...midnight pranks,  
talent shows...*

"Ah, Ma's letters are so encouraging!"

Guilford College's very own-

"THE FOUR CORNERS."

"Do you boys see what I see?"

*... training and practice in the athletic department, and the inevitable activity of studying in the library.*

"Oh! For a photographic mind!"

*Dedication*

*Dr. Algje G. Newlin*

Through thirty-seven years of dedicated service to Guilford College, not only have you become an asset to the faculty, but your outstanding contributions to the Society of Friends have brought honor and prestige to the college.

In the classroom, your bountiful knowledge, enlivening humor, and personal experiences have enriched our minds, widened our horizons, and made the history of the past alive in the present.

It is to you, Dr. Algie I. Newlin, fellow Guilfordian, professor, and friend, that we, the Seniors, gratefully dedicate the 1961 QUAKER.

## UILFORD COLLEGE

Guilford College is extremely fortunate in providing its student body with a distinguished and devoted administrative staff. The faculty is composed of dedicated men and women of unusual cultural and academic attainment. A large number hold Ph. D. degrees, and eight members of the faculty have been associated with Guilford for more than twenty-five years. Opportunities for personal contact between faculty and students are frequent. Most of the faculty live on or near the campus, and out-of-classroom instruction is available.

The faculty was selected not only for their particular and specific knowledge in the field of their special training and interest and for their ability as teachers, but also for the friendly, personal interest they maintain in the students they teach.

*Administration*

Clyde A. Milner

*Clyde A. Milner*

*President of College*

Dr. Clyde A. Milner during his twenty-seven years as President of Guilford College has built the college from two hundred students to its present size of one thousand, nine hundred students including the Greensboro Division. Presently Dr. Milner is engaged in a building campaign, with the new auditorium as its latest product. Last September Dr. Milner organized the Charles A. Dana Scholarships after Mr. Dana gave them to the college. In addition to his official capacities as college president, Dr. Milner has spent many hours counseling and chatting with students. We, the students, appreciate his service to the college, his everpresent smile, his many cheerful words, and his unselfish devotion to us.

Dr. and Mrs. Milner attend 1960 Homecoming Dance.

Registration - September 1960.

The efficiency of the station to station progression of the student speeds up the nerve-racking process of registration.

*From the beginning of our college career, in the registration line, we get our first taste of the long and disciplined struggle we must face in order to receive an education. Once inside the door, our minds become alert and we endeavor to open wide the doors of knowledge . . . .*

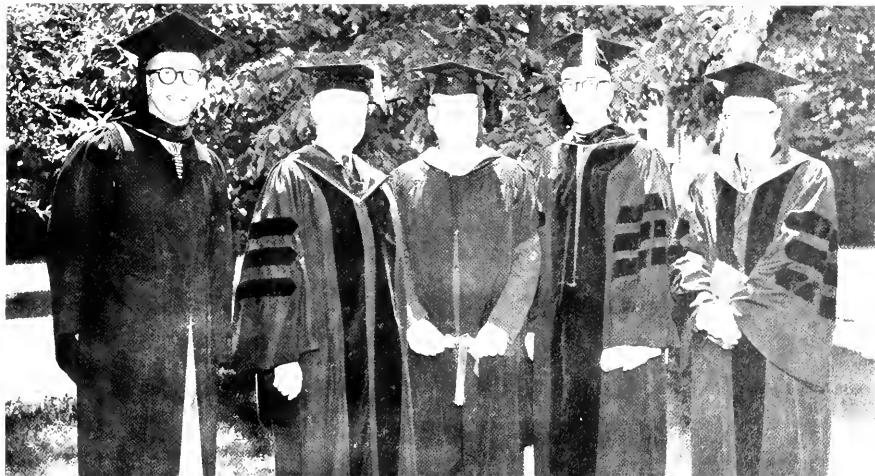

The Class of 1960

*... Our immediate goal we find is graduation . . . To wear the cap and gown and hold with pride the diploma — a certification of our first step into the future. For many of us, our life's ambition will not be reached until we become one among the more learned scholars. To these, a wish for good fortune!*

## GUILFORD COLLEGE

Guilford College enrollment has grown from 50 students, in 1837, to approximately 700 students in 1961. A unique feature of Guilford College campus life, is the close ties which exist among the members of all four classes. In the dormitories, there is no separation of living quarters by class standing, thus affording each student the opportunity to become well acquainted with all class members. This friendly atmosphere and close relationship among the students prevails in the classroom with the faculty, as well as in the dormitories. This relationship between faculty and student body in the classroom contributes to fulfilling Guilford's purpose - to provide a basic, broad, integrated, educational program. Each student, aware of his own interests and vocational objective, follows a course of study that is uniquely his.

## GUILFORD COLLEGE

Guilford College extends to each student, regardless of class standing, an opportunity to participate fully in its numerous extra-curricular activities. As well as the principle functions of each activity, many organizations have as their goal worth-while projects. Among these projects may be mentioned the Underprivileged Children's Christmas Party, and Supervised Recreation for Negro Children.

Through its various clubs, Guilford College endeavors to provide each student with an opportunity to express himself more fully through social media, and to learn the art of social participation and co-operation.

These social and purposeful extra-curricular activities are made possible not only by student body co-operation and responsibility, but by the faithful and unselfish time and assistance given them by their faculty advisors.

# The Quaker

In keeping with the tradition of Guilford, the yearbook staff has compiled into the 1961 Quaker a varied account of the past year's events. Composed of representatives from all four classes the annual staff is open to any student who is interested in yearbook publication. In spite of the many hours of hard work spent in preparation, and the anticipations and unexpected difficulties, pictures were made, layouts completed and copy typed for the final time. It is the hope of all members that this record will prove to be a constant and pleasant reminder of the 1960-1961 year spent at Guilford.

# The Guilfordian

The GUILFORDIAN, the campus newspaper published bi-monthly, is edited by a student staff. The Guilfordian keeps the student body posted on all the social activities, news and sports. It is the best means of "signs" on campus, a type of mediator between the faculty and the students, and a "representative" of Guilford College

## The Tad

The Tad, Guilford College's literary magazine, is edited and published by a student staff. All of its contents are written by students and faculty, the articles evaluated by the staff and the best selections chosen appear in print. Aside from this literary publication, in the fall the Literary Society had as guest speaker, Randall Jarrell, noted poet and resident of Guilford College community.

# A Cappella Choir

The Guilford College A Cappella Choir has made an excellent name for itself throughout the eastern United States. In 1960, the Choir toured among the Northeastern states. This year the annual spring tour was through the southeastern United States, with various concert stops; some of which were: Wallace, N. C.; Atlanta, Ga.; St. Petersburg, Frost Proof, and Cyprus Gardens, Fla. Supplementing the spring tour, the Choir presented a number of concerts locally and within the State.

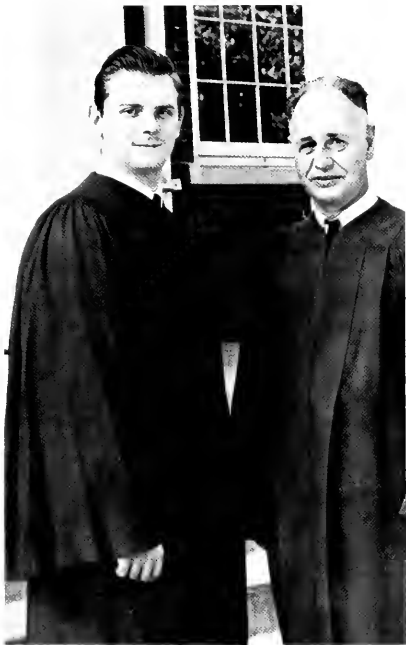

Membership in the Choir is open to all students who wish to enjoy singing and desire to receive excellent training in all the finest types of music ranging from sacred choral music of the 5th. through the 20th. centuries, as well as secular music from these periods. Other annual performances of the Choir are Handel's Messiah and Mozart's Requiem Mass. Our A Cappella Choir is an organization which well represents Guilford College, an organization we can be proud of.

## GUILFORD COLLEGE

Guilford College affords its student body many high-lights throughout the academic year. These include: Homecoming and Christmas activities, and May Day. These features seem to cast a spell over the entire campus and everyone is caught up in a wave of excitement and enthusiasm. Ingenuity and originality, as well as artistic creations, come from all areas of the campus to make each occasion a memorable event.

Our most pleasant memories of Guilford life are often created by these annual festivities-a welcome deviation from the steady academic routine.

## GUILFORD COLLEGE

Guilford College is known throughout the North State Conference for its fine sportsmanship and its ever strong school spirit. Guilford participates in football, basketball, baseball, tennis, and golf, as well as intramurals, and individual sports.

One outstanding feature of athletics at Guilford is its intramural program, open to all students, both men and women, who do not belong to a varsity team. These intramural games arouse great interest, encourage close ties of unity, and a strong sense of friendly co-operation.

To the men who composed the 1960-61 varsity teams, we pay tribute. They are to be recognized not only as outstanding athletes, but as loyal Guilfordians whose love for the game, and untiring efforts are never diminished.

## Open Season By Losing To Elon 19-7... Drop 7-0 Contest To

The Quakers opened the 1960 season by losing to arch-rival, Elon 19-7 in a game played at Senior High Stadium. Guilford's only score came on an 18 yard pass play from Baker to Simpson, with Elks kicking the point after. Elon scored on two ground marches and recovered fumble.

"One of the best games a team of mine ever played . . ." a tribute to the team by Coach Appenzeller after the East Carolina game, which saw Guilford go down to a 7-0 defeat. The Pirates scored on the first play from scrimmage, and that was it for the night. A 55 yard pass from Harold James to Tom Barnes engineered a threat for the Red and Gray in the third period, but they were not able to take advantage of it. Jim Stutts halted the last E.C. threat with an interception.

## *E.C.C. ... Beat Randolph-Macon 12-7...*

The home team scored again when Baker sneaked across into paydirt after Stutts had carried from the 8-yard to the one foot line. Randolph-Macon added their 7 points late in the 4th quarter, but they were not enough. Younts and Stutts were strong for Guilford all afternoon on defense.

## *...15-7 Homecoming Defeat At Hands Of Emory-Henry...*

In a rainy and muddy home-coming game the invading Emory and Henry Wasps came out on the long end of a 15-7 score. The wasps scored their first touchdown in the second period after a blocked punt and added 8 more points in the fourth quarter on a TD and a safety. The only Guilford score came when Brodie Baker returned a punt 70 yards in the third period, tying the score briefly.

It was Lenoir-Rhyne - Guilford O, but L-R's coaching staff agreed that the Quakers had played them a better game than anybody else they had faced thus far. And the L-R Bears were the No. 1 team in the nation among the small colleges.

## *..Suffer Loss To Lenoir-Rhyne And Newberry....*

Guilford found the scoring touch again, but they could not stop Catawba's Indians from rolling up 32 points, 7 more than they were able to manage. Scoreless at half-time, the Quakers came to life in the third period but could never come closer than 1 TD to the Indians. James and Elks teamed up on a beautiful 63-yard pass-run play for the first Guilford tally. A Baker to Stutts pass made it 18-13, James to Elks made it 24-19, and Baker's TD pass to Hedrich ended the Quaker scoring. In a game that was all offense, Guilford passing was superb.

Guilford jumped off to a 7-0 lead when Elks pulled in a Baker pass in the beginning of the first period and kicked the extra point, but finally went down to a 20-13 defeat at the hands of Western Carolina. The Catamounts scored in the first three periods and the Quakers could not add to their score until the last quarter, when Elks went over for another TD. And it was the last game for nine Seniors - fellows who have played some terrific football for the Gray and Red, and who will be greatly missed . . . and another season ends . . .

"Watch the Quakers next year!" The red and gray didn't pile up a very impressive record for this season, but this was a season for building. Coach Clyde Parrish, coming from championship teams at Wendell High School, had three freshmen in starting positions - Then came exams, resulting in the loss of four players.

The Quakers were led again this year Co-captains Don Lineberry and Jon Burwell. Both are strong competitors; Don is an excellent scorer and Jon is one of the conference's outstanding guards. Two freshmen were consistent starters all season - Dan Kuzma and Wayne Wycoff. 6'2" Dan has been called the best rebounder for his size in the North State Conference. Dan scores well, too, as does Wayne, who has been high man in the points column in several games.

# Tennis - 1961

The tennis team got a bad break this winter with the loss of its number one man, Brooks Haworth. The man most likely to move into his place is the same man who pushed him for the No. 1 spot last year, and who won the conference championship in his own division, Eddie Giles. Another strong contender is Freshman, Dick Derr, Delaware State High School Champion in 1960. Returning lettermen, along with Giles, are Juniors, David Edgerton and Ray Sharpe. This is quite a four-some of talent, so the Quakers are expected to keep up their tradition of being strong on the clay courts.

## Golf-1961

Coach Clyde Parrish is facing the problem of having only one returning letterman, Wayne Henley, out for the golf team. He will be going with new players, and they will be going with a new coach (in this particular sport). Both are quite capable, though, so there are high hopes for the Quaker linksters, whose battlefield will probably be the Starmount Course.

Coach Clyde Parrish and Wayne Henley, the only returnee from last year's team.

WAYNE HENLEY

## Little All American

Wayne Henley closed out his career at Guilford by being named for the third time to the All-Conference team and by becoming Guilford's second All-American. Wayne has done an outstanding job at a tackle position for the Quakers - a fact which has been recognized by the people who pick the stars. His talents are not limited to football, however; he is a letterman in golf.

## All - Conference

Harold James is probably the most amazing athlete ever to come to Guilford College, for this young man has overcome the handicap of a leg disabled by polio to become a star. His first fame came as a result of his feats with the thin-clads; he can participate in almost any track event, but his special event is the high jump, in which he was 1960 N.S.C. champion. He received the Undergraduate Athletic Award in 1960, was named M.V.P. by his football teammates after this season, topped his accomplishments by making first string quarterback on the All-Conference football team, and was just named Outstanding Athlete of the Year from Tidewater, Virginia.

His teammates showed their respect for Larry Younts at the beginning of the season when they elected him co-captain of the team, and the North State coaches expressed their respect at the end of the season when they selected him as an All-Conference guard. He received another honor at the close of the season when he was voted the Best Blocker by the 1960 gridironers.

# Women's Intramurals and "Extramurals"

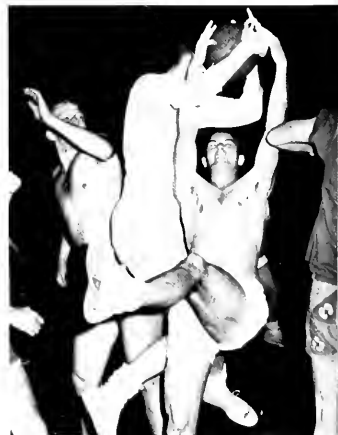

Girl's Intramurals are an outgrowth from the Women's Athletic Association. Girls are appointed by the W.A.A. officers to serve as chairmen of the different sports and are responsible for the intramural program of these sports. (They are, of course, aided greatly by the members of the Physical Education Dept.) The intramural program has been quite successful this year, with more girls participating than ever before.

The "Extramurals" are another function sponsored by the W.A.A. This is really a girl's varsity team, coached by Gwen Reddick, which played U.N.C., Elon, and W.C. These girls presently have 4 wins and 1 loss, and are as good as, or better than, the record shows.

*Hail To The Champs!.....Archdale's Football Team*

## Men's Intramurals

The Men's Intramural program at Guilford is one of the most successful among colleges in this area. Directing the program this year is John Meroney. There is team competition in tag football, volleyball, basketball, and softball, and individual competition in horseshoes, badminton, ping-pong, and track.

Archdale took top honors in the football play-offs, defeating the regular season winner, English Hall. It was the New North Bears who were champs in volleyball, and Yankee Stadium won the regular season B league basketball competitions, but the Black-hawks from English came through to win the tournament. That's as far as intramurals have progressed at this date, but there's much more competition in store, for all the dorms are still very much in the running for the championship. Intramurals are definitely a vital part of campus life at Guilford.

## Men's Athletic Association

Jon Burwell, Buddy Key, Tommy Bowers, and Jim Stutts, PRESIDENT.

The Men's Athletic Association, composed of all the men students on campus, endeavors to promote intercollegiate athletics and intramural programs. The Men's Athletic Association sponsors Award Day when outstanding athletes, as well as intramural champions, are presented with award certificates and trophies.

In connection with the Monogram Club, the Men's Athletic Association sponsors the Christmas Dance and the KKK (Kampus Kuties Kapers). They also persuade the freshmen to purchase and wear "Beanies", and maintain the concessions at all the athletic events.

Among the many, varied and important events sponsored by the Women's Athletic Association are the Homecoming Dance, Girls' May Day program, and the May Day Dance. All Guilford Women are automatically members of the Women's Athletic Association and are encouraged to participate in volleyball, basketball, softball, and tennis intramurals.

## Cheerleaders

The Cheerleaders, the girls who keep up the morale of our athletes, should have special tribute, for they have not only kept up campus spirit, but have presented excellent routines. From their "Quakers we loves ya" comes an ever-reverberating round of student cheering participation.

"Look, everybody, a TRICK!"

# Monogram Club

The Monogram Club, according to its goat pledge, is "an organization made up of gentlemen, athletes, and scholars," and its members have reached "the highest possible level a human being can attain."

The Monogram Club is one of the campus' leading organizations, for it sponsors an annual talent show, faculty-student basketball game, and the K.K.K. (Kampus Kuties Kapers), perhaps the most popular dance every year. And there are indeed, in its membership - gentlemen, athletes, and scholars!

## Acknowledgements

As Editor-in-Chief of the 1961 Quaker, I wish to express my gratitude to the Yearbook Staff for their co-operation in helping to publish the book. To the faculty and students of Guilford College, thank you for your co-operation in having pictures taken and for information. To Mr. Jerome Golden, your kindness, efficiency in taking the many portraits, and your co-operation was more than appreciated. To Dwight Thomas, school photographer, thank you. To Mr. David Parsons, yearbook sponsor, thank you. To Delmar Printing Co., thank you for your patience and helpfulness, especially Mr. Thomas A. Smith. To Miss Era Lasley, thank you for your confidence, advice, and interest.

It is my hope that this 1961 Quaker has fulfilled its purpose in being a representation of your year spent here at Guilford College. May it be for you a cherished possession.

HELEN M. BROWN  
Editor-in-chief
